

NOTICE OF RACE

INVITATION: The ISR committee and CYC extend an invitation to all interested skippers and crew to participate in a “for fun” race series on the Columbia River between the I-5 and I-205 bridges. The ISR committee (an informal group of us racers that want to keep this great event going) will be running this series for the 2011-2012 season. CYC will be sanctioning this event for the 2012 portion of the year.

BACKGROUND: The ISR series or “International Sailing Regatta” has been run by Terry Johnson “Snidely Marks” the last two years and was sanctioned by SYSCO for the 2010-2011 season. Snidely’s imagination combined with his talent for writing, created a winter time racing culture filled with great racing and satirical humor. Because of his efforts we have an opportunity to work together and keep this event alive. Snidely has stepped down from his position of running the ISR to run for President of the United States. Snidely has appointed a few trusted souls to run his operations on the river, thus the ISR committee was formed. The ISR committee, whose numbers and members are unknown and kept top secret under orders of Snidely himself, control all ISR operations. The ISR committee uses volunteers to do the will of Snidely Marks to maintain the power and clout of the ISR, while Snidely Marks runs his presidential campaign.
