

# CYC Beer Can Race June 12

## NOTICE OF RACE

**INVITATION:** Every Friday night, from June 12 thru August 21 (with the exception of June 19), OCSA yacht clubs are pleased to extend an opportunity for all skippers to compete in these not-so-serious, somewhat whimsical, and just-for-fun, beer can races. Skippers new to racing are especially encouraged to participate.

**DESCRIPTION:** These races are intended to provide a casual platform for acquiring or polishing skills without the intensity of a serious regatta. Each race will be conducted separately by a sponsoring yacht club. This race is sponsored by CYC.

**ELIGIBILITY AND INSTRUCTIONS:** Entrants must comply with the insurance provisions of the OCSA Race Entry Form. PHRF ratings are not required. Level or one design class competition is encouraged. The OCSA Sailing Instructions will govern races. All boats must register with the committee by giving the committee boat a signed OCSA Race Entry Form. This is for insurance reasons. Any unregistered boat is ineligible to race.

**DATE AND TIME:** Friday, June 12. The first warning signal is at 1830 hours.

**REGISTRATION:** Use an OCSA Race Entry Form and submit to the Race Committee before the start of the race.

**FEES:** None! Entrants are encouraged to gratuitously solicit Race Committee favoritism by proffering consumable goodies, before, during or after each race.

END OF NOTICE OF RACE

## After Race Social!

Sponsored by:

The Island Café and  
Danish Marine Repair Co.

## SUPPLEMENTAL SAILING INSTRUCTIONS

**CLASS DIVISIONS:** The Race Committee may or may not post class divisions depending on bribes.

**COURSES:** Courses set by the Race Committee will be posted on the committee boat.

**SCORING:** Skippers are expected to note their finish position relative to others and report such information to anyone willing to attach significance to its importance.

**PROTESTS:** Protests are emphatically discouraged. Skippers are encouraged to settle alleged infringements of the racing rules in a private, Corinthian spirit.

**COMMUNICATIONS:** In case of a "Come Within Hail" (Code "L") signal display; pass by the committee boat for additional instruction. Extortion on the part of the Race Committee shall not be prohibited. Indeed, it may be expected.
